

26TH BIENNALE DES ANTIQUAIRES

Organised by The Syndicat National des Antiquaires (SNA) the **26th Biennale des Antiquaires will run from September 14 to 23, 2012**, at the Grand Palais in Paris.

While continuing to reflect the quality and professionalism that have earned the event its reputation over the years, the 26th Biennale intends to surprise its visitors once again. Within the next few weeks, the SNA will have the pleasure of announcing which international designer has been selected to install and decorate the event.

More space, more exhibitors

The 2012 show will welcome nearly **150** exhibitors (there were 86 in 2010).

In addition to the main dome of the Grand Palais, the event will also take place in "**Le Salon d'Honneur**," which is opening its doors after several years of restoration work. The Biennale will have the privilege of inaugurating the new space.

A curated selection of exhibitors and objects

As the must-visit event for the art market for more than 50 years, the Biennale offers a broad range of specialties presented by internationally renowned professionals.

These professionals, all of whom are members of the SNA, are among the **best antique and art dealers in the world**.

The SNA has stepped up its requirements for the "Object admission committees" and will publicly release the list of consultants sitting on those committees.

As in past years, **Fine Jewelry** will be prestigiously represented.
